

MCSL T-shirt Fundraiser

MCSL is helping to support the construction of Building 86 in the northern end zone of the Point Pleasant Jr/Sr High School stadium. This t-shirt fundraiser will be helping purchase AV equipment for film study as well as equipment for the weight room. We are asking that each family attempt to sell between 5 and 10 shirts to not only help raise funds for the building but to also promote our league.

People may order a shirt color to match their child’s team color. Also, parents, siblings, and grandparents may want something printed on the back. In the past people have put things like, “Johnny’s Pawpaw” or “Suzy’s Mom”. People may also just order a white t-shirt.
